

See nothing, hear everything

The CCM684 is a high performance ceiling speaker that’s simplicity itself to install and use. A two-way design, featuring a 200mm (8in) woven glass fibre cone bass/midrange driver and a soft dome tweeter in a neat circular ceiling mount chassis. The tweeter housing pivots for adjustable off-axis treble response and the speaker also features a three-position EQ switch for a better off-axis response. Incorporating QuickDogs™ and a plug-and-play functionality it is quick and easy to install.
